Dear Valued Client,

We are announcing the merger of Great Way Insurance with Advantage Service Insurance effective June 1st, 2022. We feel the best way to continue to provide excellent customer service and expand the wide array of insurance products to our clients, was to merge with a larger agency. Advantage Service Insurance represents that company. This will also give us more time to focus on helping you with all your real estate needs.

I have hand-picked Advantage Service Insurance, (ASI), for this transition because Ivan Gerrity, the owner of Advantage Service Insurance carries all the same insurance companies, (and then some) as we have. **Advantage Service Insurance is a full-service insurance agency and offers personal, commercial, and business insurance.** He is a second-generation insurance agent, following his mother and sister. Ivan cares about his clients and his relationships with them, just as I always have. Although Advantage Service Insurance's offices are in Erie, CO, we have all become accustomed to serving you via telephone, e-mail, fax, postal mail, and online methods, especially in the past 18 months I am confident that Ivan will be able to seamlessly serve any insurance needs that you, your families, and your businesses may have, now and in the future.

We have always and continue to appreciate your business and friendships and look forward to staying in touch.

Sincerely,

Luke Beard & Karina Olivas
